

Associate of Applied Science Organizational Management *Emphasis: Police Management*

Police and security services for businesses are more important today than ever before. Organizations now demand levels of skill and leadership to meet their changing security needs that were unimaginable just a few years ago!

At Mesa Community College (MCC), our **Associate of Applied Science** degree in Organizational Management with an emphasis in ***Police Management*** is designed to give you the competency, tools, and capabilities necessary to successfully meet the need for leadership in an organization's police and security services!

Why Our Associate Degree?

- Few fields can match the range of importance and fulfillment opportunity potential found in organizational security leadership and police force management.
- You'll learn how to work with others, communicate effectively, and develop traits such as initiative and a desire to attain goals, two of the qualities that are valuable requirements in today's organizations.
- You will acquire the ability to solve complex problems, conduct thorough investigations, and a keen understanding of the endless challenge and opportunities for security management that are required to be successful in meeting business security needs.
- Day, evening, and online course offerings available.
- Enhances your transfer capability to Arizona State University, University of Arizona, and Northern Arizona University.
- Ready to get started? ***Turn this card over*** for detailed course scheduling information.

Why Mesa Community College?

- As the largest member of the ten-college Maricopa County Community College District, MCC is noted for a 40-year history of delivering competency-based education with nationally recognized achievement outcomes.
- Our Business Department delivers eight different Associate Degrees and Certificates of Completion in more than 22 specialized academic disciplines. Our students can choose from degrees or certificates specializing in management, marketing, project management, small business management, international business, e-commerce, web technology, web design, computer information systems, organizational management, or administrative office career areas.
- Our instructors are proven certified professionals with substantive real-world experience.
- A cost effective education opportunity when compared to the public / private university alternatives.
- MCC works closely with our business and industry partners to design specific educational programs that upgrade employee skills and support those who are re-entering the workforce or changing careers.
