Vehicle Emissions Agreement (Tell me more about Emissions Control Compliance)

Arizona requires that any vehicle allowed to park in any college parking lot must comply with the annual vehicle emissions inspection program. At the time of course registration, every out-of-country and out-of-state student will be required to sign an affidavit stating that the student's vehicle meets the requirements of ARS §49-542. Vehicles that are not in compliance are subject to being towed at the owner's expense.

***In accordance with Arizona Statutes 15-1444 and 15-1449, I hereby certify that my vehicle as required by ARS §49-542 has passed a vehicle emissions test. I also understand that false certification of this affidavit constitutes a Class 2 misdemeanor in Arizona. If I fail to comply with the above, I understand that I am prohibited from parking on college property and my vehicle is subject to removal at my expense.**

I acknowledge the above statement
